

MELIKE YUSUFOGLU

Front-End Developer | React & TypeScript Enthusiast

4915231627166 • melikeyusufoglu96@gmail.com • <https://www.linkedin.com/in/melike-yusufoglu/> • Stuttgart, DE

Summary

With over 5 years of front-end development experience, I excel in React, Angular, TypeScript, and optimizing web applications. Eager to contribute to innovative software solutions with a focus on high-performance as a dedicated Developer.

Skills

React, Angular, TypeScript, Node.js, JavaScript ES6, Tailwind, Shadcn, Responsive Web Design

Experience

zigzag GmbH

Stuttgart, DE

Technologist II

10/2022 - Present

- Developed scalable web applications in **healthcare**, **transportation**, and **finance** domains.
- Built modern front-end solutions using **React**, **TypeScript**, and reusable **UI components**.
- Collaborated with designers and backend engineers in **Agile/Scrum** teams to deliver end-to-end features.
- Integrated complex **APIs** and optimized applications for performance and responsiveness.
- Expanded expertise to **backend development** by building APIs and services with **Node.js**.

Huawei

Istanbul, TR

Front-End Developer

10/2021 - 09/2022

- Developed and maintained enterprise-level applications using **Angular** and **TypeScript**.
- Built and customized reusable **UI components** leveraging an internal UI library.
- Collaborated within **Scrum/Agile** environments to deliver high-quality features on time.
- Worked closely with backend teams to integrate **APIs** and create new user interfaces.
- Enhanced application scalability and maintainability by applying best practices in **state management** (NGXS, NgRx).
- Contributed to hybrid projects (AngularJS, Angular 11) ensuring smooth migration and modernization.

Etiya

Istanbul, TR

Front End Developer

10/2019 - 10/2021

- Contributed to multiple projects using **Agile methodologies**, ensuring timely delivery of new features.
- Developed responsive interfaces for both **mobile and desktop** platforms using **Angular 7**, **TypeScript**, **HTML**, **CSS**, and **SCSS**.
- Collaborated with backend developers to integrate **REST APIs**.
- Collaborated with business analysis experts to discuss the new features.
- Gained hands-on experience with **RxJS operators** and applied them to manage asynchronous workflows.
- Explored and implemented new **web technologies and UI trends** to improve usability and performance.
- Utilized different **state management approaches** to optimize project architecture and scalability.

Education

Namık Kemal University

Tekirdag, TR

Bachelor Degree in Computer Engineering

09/2014 - 06/2019

Interests

Tech Innovation

Passionate about groundbreaking tech innovations, staying updated with the latest advancements in front-end technology.

Open Source Contributions

Dedicated to contributing to open source projects, promoting community learning, and fostering collaborative growth.

Web Design Aesthetics

Enthusiast for aesthetic and functional web design, regularly exploring trends that enhance user engagement.
